

FALL, SPRING, WINTER TERM, SUMMER SESSION, OR MAY INTERSESSION PETITION FOR EXCEPTION TO POLICY ON MAXIMUM UNIT LOAD

Information: The maximum unit load for Fall/Spring terms is 18 units. The maximum unit load for the Winter term and May Intercession is 4 units. The maximum unit load for Summer Session is 13 units. An exception to the unit limit will be granted only if there is both demonstrated need for the overload (usually to avoid undue delay in graduation) and demonstrated ability to succeed in a heavy load. A minimum 3.0 GPA is usually required.

To request an exception to the maximum unit load, complete this form and attach a letter explaining why the overload is necessary for you to complete your degree. Submit your approved petition to the College of Continuing and Professional Education.
